# Elevator Romance

**A** young man gets on an elevator. The elevator goes up. The elevator stops. A young woman gets on the elevator. The elevator goes up. Then it stops.

It doesn't go up. It doesn't go down. It is stuck between floors.

The elevator is stuck for 19 hours. The man and the woman are in the elevator. They are together for 19 hours. They talk, and talk, and talk.

Finally, the elevator goes up. It stops, and the doors open. The man and the woman walk out of the elevator.

They are tired. They are hungry. They are thirsty. They are in love. Three months later, they get married.
